Summary

As an experienced professional with a passion for the industry, I have a track record of delivering accurate financial reports and supporting the growth of businesses.

My strong analytical and problem-solving skills have enabled me to identify areas for cost savings and improve financial processes. With over seven years of experience, I am well-versed in accounting standards, tax laws, and financial reporting. I am a dedicated team player and thrive in a fast-paced, deadline-driven environment.

Experience

Euro-Scan Exports Pvt Ltd

8 years 5 months

Accountant

January 2022 - Present (2 years 3 months)

Colombo, Western Province, Sri Lanka

- Managed general ledger functions, including recording journal entries, account reconciliations, and supporting month-end/year-end closing processes
- Served as a functional intermediary between developers and users on an ERP development project, resulting in a 52% increase in data recording and documentation efficiency.
- Prepared budgeting and forecasting for 200+ financial records, and produced accurate reports for top management on a monthly basis.
- Introduced Excel templates to restructure the costing and pricing documentation system, streamlining and downsizing data duplication by 55%.
- Analyzed the costs of local and exported products, preparing pricing and cost variance analysis, revenue statements, and monthly debtors analysis.
- Liaising with auditors and banks when needed.
- Filing of VAT returns and timely payments.
- Handle payroll processing, ensuring timely and accurate payments to employees.

Assistant Accountant

August 2018 - January 2022 (3 years 6 months)

Sri Lanka

Finance Executive

May 2016 - August 2018 (2 years 4 months)

Colombo, Western Province, Sri Lanka

My scope at Euro Scan Exports (Pvt) Ltd primarily focused on the aspect of 'Accounting', enabling me to gain a sound understanding of the Finance function of the organization.

Key responsibilities :

- Overlooked the accounts payables and receivables of the company's main account and that of two subsidiaries.
- Prepared general ledger postings and supported in producing financial statements of the above accounts.
- Processed financial transactions on a daily basis ensuring adherence to internal controls and accounting processes.
- Assisted in the preparation of special reports by studying variances; managed account balances and statuses.
- Assisted in the Interpretation of key financial data to the top management by producing timely and reliable reports.

Management Trainee

November 2015 - May 2016 (7 months)
